ICBM Meeting via Skype

7:00pm September 26, 2011

1 Attendance

- Scott Beddall
- Brett Hitchcock
- Chaylo Laurino
- Alex Nilson

2 Etc.

- We have a conference call with the client tomorrow at 2:30pm - are we prepared?
- What are we going to ask them about?
  - Questions for client in 9/21/11 minutes.
  - Do they have a development server we can use?
  - What sort of infrastructure are they going to be running the system on?
- Everyone needs to get their personal systems set up as a work environment.
  - Brett will be guiding us through the process.
  - IIS, .NET, Visual Studio all need to get installed.
