ICBM Meeting with client via phone conference

2:30pm November 8, 2011

1 Attendance

- Scott Beddall
- Brett Hitchcock
- Chaylo Laurino
- Alex Nilson
- Marj

2 Status updates

- Marj e-mailed us the forms for PCA codes, work efforts, employer, and contractors
- Tasks forms not developed yet, but they'll be ready by Friday.
- Updated customer on what functionality we had for TARS
- Informed customer that we are unable to get access to an Active Directory server
    - Marj will talk to Don to see what should be done
- Current tasks implementation uses one table, resulting in duplicate tasks
- Need a few new documents
    - Entity Relationship Directory
    - Glossary
