ICBM Meeting via Skype

7:00pm November 28, 2011

1 Attendance

- Scott Beddall
- Brett Hitchcock
- Chaylo Laurino
- Alex Nilson

2 Presentation

- We have a presentation to give on our project December 2nd.
- Scott will be doing the presentation and we all will field questions.
- We will have a live demo of the product for the poster session beforehand.

3 LDAP Issues

- Can't query user ID or password
- Only common name and location can be queried
- We can pull roles
- LDAP is only a placeholder, so this isn't a huge concern at the moment

4 End of the Year Tasks

- Prep github account for transfer to new team
- Clean up github repository
- Comment important code sections
- Write notes, tutorials, etc.
- Finalize documentation for the project

5 Division of Labor

- Alex working on user's tasks and hours

- Brett working on tests

- Chaylo working on documentation

- Scott working on login functionality
